More Reasons to Choose UC San Diego Health

You want the best health care possible — when and where you need it. At UC San Diego Health, you get it all. Our hospitals were ranked #1 in San Diego and #6 in California by *U.S. News & World Report*. We also offer same-day Express Care and Urgent Care, online appointment scheduling, and an app for messaging your doctor and other health tasks.

Convenient Primary Care

Visit clinics throughout the county, including new locations in Rancho Bernardo, Encinitas, Eastlake and Pacific Highlands Ranch.

Same-Day Care

Walk in or save your spot online at our Urgent Care and Express Care clinics.

Versatile Online Tools

The MyUCSDHealth app supports online scheduling, video visits, messaging with your doctor and prescription refill requests.

World-Class Cancer Care

Our NCI-designated Comprehensive Cancer Center offers leading-edge treatments and clinical trials.

Cardiovascular Institute

Our comprehensive cardiovascular services are ranked among the top 50 in the nation for cardiology and heart surgery.

More Childbirth Options

We have a large staff of physicians and midwives, as well as high-risk specialists and equipment, a holistic birth center and doula services.

Quality Mental Health Care

Our patients have access to psychiatry and behavioral health services — including specialty programs not widely available elsewhere — for all ages.

Pediatrics and Adolescent Medicine

We pride ourselves on compassionate care, including an affiliation with Rady Children's Hospital for specialty services. Same-day and next-day sick visits are available at locations throughout the region.

Joint Care and Orthopedics

We offer innovative treatments — both surgical and nonsurgical — for hips, knees, shoulders and spines.

Leader in Health Care Excellence

We are recognized by the Integrated Healthcare Association for achieving top marks for the quality of care and patient experience.

Sports Medicine

Our sports medicine experts — the same ones who take care of the Padres — can help you prevent and recover from injuries.
