Please note the following:

- *Fall semester will be 100% on campus during lecture and lab*
- *Spring and summer semesters are mostly at clinical facilities, which require a reliable source of transportation.*
- *Communication will be maintained through phone, email, and CANVAS.*
- *The Surgical Technology is 100% strict on class times and attendance on campus and at clinical sites and no substitutions will be accepted.*

\*subject to change at faculty discretion
